## Admission to the meeting

For a second year, as a precautionary measure to proactively address the public health impact of COVID-19, to mitigate health and safety risks to our shareholders, employees and other stakeholders, and to abide by some of the Government of Quebec's directives and recommendations, we will hold our meeting in a virtual-only format. The meeting will be held via live audio webcast only. Shareholders will have an equal opportunity to participate in the online meeting, regardless of their geographic location.

Registered shareholders and duly appointed proxyholders will be able to participate in the meeting, ask questions and exercise their voting rights, all in real time, provided they are connected to the Internet and comply with all the provisions set out in the circular and in the rules of conduct for the virtual meeting published on ia.ca. Beneficial owners who have not duly appointed themselves as proxyholders will be entitled to attend the meeting as guests, but will not be entitled to vote at the meeting.
